Dear Teachers,

**\*Subject: CBSE COE Trainings Registration\***

As you may be aware, the Central Board of Secondary Education (CBSE) offers a range of Capacity Building Programmes through its Centre of Excellence (COE) to enhance the professional development of teachers. We believe that such trainings play a vital role in empowering educators and fostering a culture of continuous learning.

In order to streamline the registration process and ensure efficient coordination, we kindly request that **\*TEACHERS DO NOT INDIVIDUALLY REGISTER FOR PAID CBSE COE TRAININGS\***. Instead, we would like to take the responsibility of registering all our teachers as a collective effort from the school's end. This centralized approach will help us maintain a record of the trainings attended by our faculty and facilitate better management of resources.

By registering as a school, we can plan and organize the trainings in a manner that aligns with our specific needs and goals. It will also allow us to track the progress of our teachers and ensure maximum participation in relevant and beneficial sessions.

To initiate the registration process, the school's administration will liaise with CBSE COE and handle all registration-related tasks. They will communicate the details of the upcoming trainings, assist in selecting appropriate sessions, and manage the necessary registration work on behalf of our teaching staff.

We understand that each teacher has unique professional development requirements, and we will strive to accommodate those needs to the best of our abilities. Therefore, we encourage you to communicate your preferences and areas of interest to STNC, Mr. SANJAYA KUMAR SENAPATI, who will be keeping the relevant records related to teachers' trainings for onward submission to CBSE on a regular basis.

We believe that this collective approach to CBSE COE trainings will enhance the effectiveness of the program and provide a more cohesive learning experience for our teaching community. We appreciate your cooperation in adhering to this registration procedure.

Thank you for your dedication to continuous improvement and for being an invaluable member of our teaching team.

Best regards,
